Template Week 7 – Host your website on GitHub
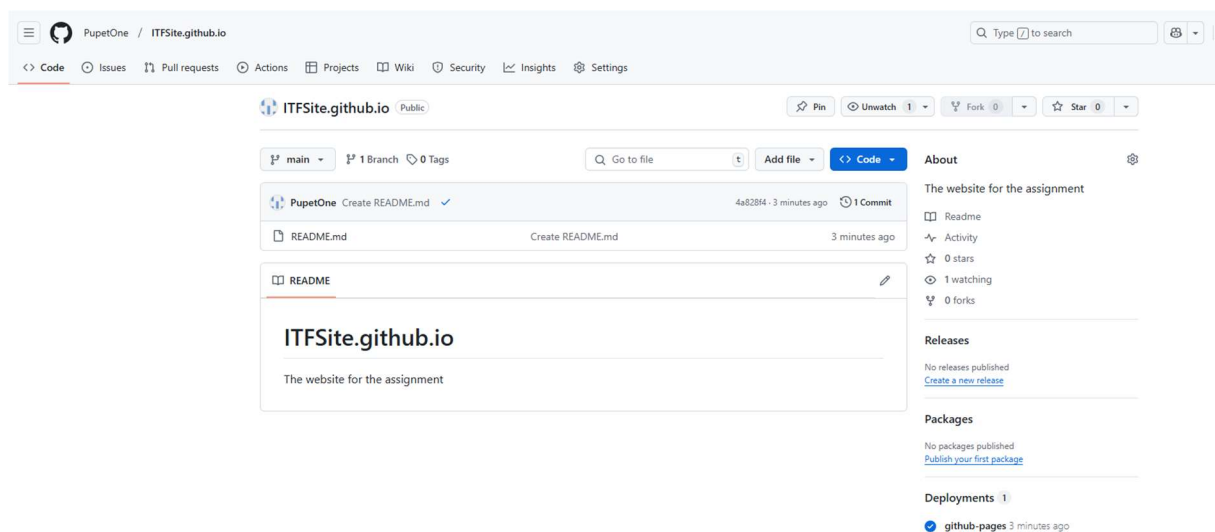

Student number:

563790

Domain name (URL) of your website on GitHub:

https://pupetone.github.io/ITFSite.github.io/

Relevant screenshots + motivation:

I've screenshoted the blank website itself, but it will be something like that with files uploaded:

Ready? Save this file and export it as a pdf file with the name: **week7.pdf**
